ANIMAL WELFARE AT JBS

OUR COMMITMENT ACROSS THE PRODUCTION CHAIN

ANIMAL WELFARE, BY THE NUMBERS IN Beef Cattle Transportation

JBS TRP serves **29 plants** in **8 Brazilian states** with **4 types** of cattle transportation vehicles.

In 2019, **R\$ 525 thousand** has been invested to train **900 drivers** on best transport practices

Partnership to distribute **animal welfare kits** to cattle farmers

The **fleet is assessed** in partnership with the **Etco Group** and projects are underway to improve cattle trucks, with an emphasis on Animal Welfare

Placards are attached to the back of each truck indicating each **compartment's capacity**, based on animal weight

TABELA DE OCUPAÇÃO BEM-ESTAR ANIMAL											
CARRETA 3 EIXOS COM ELEVADOR											
Passagem 1				Passagem 2				Passagem 3			
10	10	10	10	10	10	10	10	10	10	10	10
10	10	10	10	10	10	10	10	10	10	10	10
10	10	10	10	10	10	10	10	10	10	10	10

Cattle farmers have **rated** our livestock farm loading procedures **8.6** in each of the last 3 years

Animal Welfare indicators are **monitored** by **camera** during **disembarkation** at the slaughterhouse

Quality Assurance carries out over **5 thousand cattle fleet audits** annually to verify vehicle conditions, focusing on Animal Welfare

The fleet is **equipped** with features that ensure animal welfare and a **dedicated team uses telemetry** to monitor journeys

Over **40 million** invested in **245** **trailer trucks equipped with elevators** that will be on the road by the end of 2019

These modern trucks have **transported +3.6 million animals** since 2014. Emphasizing Animal Welfare

I RESPECT AND PRACTICE
